

Peri & Sons Farms is seeking applications for a part-time **IT INTERNSHIP** in Yerington, NV.

Position Summary:

This internship offers hands-on experience in various areas of IT, including but not limited to networking, cybersecurity, and technical support. As an IT intern, you will have the opportunity to work alongside experienced professionals, gain practical skills, and contribute to real-world projects. Some of the job functions include:

- Assist IT staff with hardware and software installations, upgrades, and troubleshooting.
- Provide technical support to end-users via phone, email, or in person.
- Participate in the testing of software applications.
- Help maintain and update documentation related to IT systems and processes.
- Contribute to cybersecurity efforts by identifying and reporting potential security threats.
- Collaborate with team members on IT projects and initiatives.
- Learn and apply IT best practices and industry standards.
- Performs varied other tasks as assigned to support all farm operations.

Desired Qualifications:

- Currently enrolled in high school, aged 16 or above.
- Strong interest in technology and willingness to learn.
- Basic understanding of computer hardware and software.
- Excellent communication and interpersonal skills.
- Ability to work independently and in a team environment.
- Problem-solving skills and attention to detail.
- Availability to work a minimum of 20 hours per week during the internship period.

Physical Demands and Work Environment:

While performing the duties of this job, interns may be required to sit for extended periods and use a computer for tasks such as typing, data entry, and research. This position may also require frequent standing, walking, bending, crouching, and lifting/carrying objects up to 25 pounds. The position requires fine motor skills and dexterity to work with and manipulate typical IT equipment. The internship is performed in office and field settings, with opportunities for remote work depending on project requirements. Interns will have access to the necessary technology and resources to perform their duties effectively. The work environment promotes collaboration, learning, and personal development.

Compensation:

Starting base salary will be competitive and will depend on the candidate's qualifications. Eligibility for discretionary profit-sharing bonuses after 1 year. Information regarding the benefits package is available on our careers webpage: <https://periandsons.com/join-our-team>.

How to Apply:

Candidates may apply online from the career page of the company's website or by emailing a cover letter and resume to employment@periandsons.com. Hard copy applications are also available at 102 McCleod St., Yerington, NV. Applicants who require reasonable accommodations are encouraged to contact the company's Human Resources Department at humanresources@periandsons.com or 775-463-9904.

Peri & Sons Farms is an equal opportunity employer.
