

Maintenance Mechanic

Seeking applicants with:

- Experience in installation, service and diagnostic repair with hydraulics, conveyor line systems and electrical.
- Trade qualified maintenance experience to carry out preventative and breakdown maintenance schedules.
- Strong work ethic, willing to work long hours during peak seasons.
- Great customer service.

Position Description:

*Responsible for maintaining, repairing and diagnosing packing shed equipment to ensure that all equipment is properly calibrated and routinely inspected.

*Responsible for keeping a good state of repair through a preventative maintenance schedule, minimizing downtime.

*Requires to travel to multiple company packing sheds.

This is a full-time position that offers medical, dental, vision, life insurance, prescription drug coverage, and retirement to eligible employees after the completion of the eligibility periods.

Applicants will be subject to a Drug and Alcohol Screening.
